EXPERIENCE

Pharmacy Technician

2021 – Present

Walgreens

Marietta, GA

Highly communicative to patients of all ages to ensure timely medication requests' fulfillment while efficiently taking in new prescriptions, filling existing orders, and checking out waiting patients. Meticulously sorted the day's incoming order of medicines to ensure previously out of stock items are completed while also coordinating various vaccine appointments and COVID testing.

CME Coordinator

2019 – 2020

American Medical Forum

Alpharetta, GA

Built new events into the company website via Wordpress and WooCommerce. Repeatedly coordinated periodic nationwide medical conferences with hundreds of healthcare professional attendees. Facilitated participant experience from registration to the CME credit claiming process by email, phone, and chat.

Licensed Property Manager

2018 – 2019

HomeOwners Advantage

Atlanta, GA

Project manager for the \$143,691 gym renovation June – September 2018. Attended and minuted bi-monthly evening Board and Finance Committee meetings. Oversaw the master association and the concierge team while routinely surveilling the property, organizing necessary maintenance and repairs.

EDUCATION

Certificate in Full Stack Web Development: Georgia Institute of Technology, Atlanta, GA

Bachelor of Arts: Cum Laude with Honors, Kennesaw State University, Kennesaw, GA
